🌟 The NIC Process

From Teacher Teams to System-Wide Change

🎯 Step 1
Define a Shared Aim
Agree on a measurable goal, such as improving fluency or engagement school-wide

👥 Step 2
Form Cross-Role Teams
Include classroom teachers, specials, support staff, and administrators.

📊 Step 3
Collect and Study Data
Monitor key indicators weekly to see if changes are improving learning.

🔁 Step 4
Iterate with PDSA
Plan, test, study, and adjust quickly to refine what works.

💡 Step 5
Share Learning
Disseminate insights across grade levels and subjects to sustain improvement.
